ABOUT ME

Hello! I'm Phelipe Quintes, a 23-year-old student in the 5th semester of a Computer Science program. I'm looking for opportunities where I can learn and grow as a professional.

EXPERIENCE

Samsung Eletronics
2021-2024

Technical Support

I developed skills in organization, customer service, and strong communication for effective teamwork, in addition to hands-on experience with the company's software and hardware.

Coesa Transportes
2020-2021

Young Apprentice

Managed document systems and gained experience with traffic systems. Additionally, I completed supplementary courses such as LGPD (General Data Protection Law).

Additional Skills
